

sang your truest

If you were to follow
 your heart, to really live the deepest
 truth of your soul, and you never
 received applause, respect or accolades

If you never got branded with success
 in the world's eyes. If great, grand, and
 wonderful things never did come
 together on the outside. If you had nothing
 to show for it other than the quiet
 sighs of your heart knowing you
 stepped into your own shoes,
 walked in your own footsteps,
 and sang your truest
 song...

if no one else but your own
 soul ever understood,
 would you follow
 your heart anyway?

[ME]

love can

Outside the physical realm,
 however, emotions like
 love can expand
 without cost.

[JC]

this heart of mine

whoever
 you are..
 wherever
 you are..
 i am
 here for you.

this heart of mine is
 too big to deny you.

[LJH]

Real

I never cared about nothing
 so much as I care about REAL.
 Not even guitars or chocolate or being
 happy. Because sometimes happy is
 a lie. And lies don't feed my soul.
 REAL feeds my soul.
 Real is messy and unpredictable and
 sexy and vulnerable and freeing.
 Real drives me on, teaches me,
 plays with my longing, stirs my deepest
 desires, feeds my soul.

Real feeds my soul. Real feeds
 my soul.

[ME]

Yesterday

Yesterday was
filled with
beautiful

[BK]

I'll go first:

today
I want to be
different
everything
the same
suddenly

[NJ]

I am in no need

I cry in the arms
of the eternal
hopelessly content,
and dreadfully pleasant
in my dance

All that I have loved,
I thank you
and ask your
forgiveness

My tears have never been my own.

[LIH]

You'll See Beauty

at the risk of becoming just another voice
last night i dreamt i was being

tell me, facebook
dear past and future
morning and a world
always in transit

dear teeming masses of facebook
if you're looking for beauty,
if you're looking for injustice,
you'll see
